NEBOSH Environmental Certificate - Content

The NEBOSH Environmental Certificate is made up of two units:

Unit EC1: Management and control of Environmental Hazards

- Foundations in Environmental Management
- Environmental Management Systems
- Environmental Impact Assessments
- Control of Emissions to Air
- Control of contamination of water sources
- Control of waste and land use
- Sources of use of energy and energy efficiency
- Control of environmental noise
- Planning for and dealing with environmental emergencies

Unit EC2: Environmental Practical Application

Environmental review of a work place and report to management

Entry Requirements

There are no formal entry requirements for the NEBOSH Certificate in Environmental Management course but it is strongly advised that candidates have some knowledge of environmental risk management. A good standard of written English is essential.

Assessment

The assessment consists of one 2 Hour written examination and an environmental review of a workplace. You must pass both units to be awarded the NEBOSH Certificate in Environmental Management.
